

Text Message Price Fixing

Finkelstein Thompson investigates allegations that major cell phone companies fixed text message prices.

Finkelstein Thompson LLP is investigating allegations that cell phone companies providing text messaging services have been wrongfully overcharging their customers. If you have paid for a text message, you may have been a victim of this practice.

According to recent news reports and filed complaints, certain parties have alleged that Verizon Wireless, AT&T Inc., Sprint Nextel Corp., and T-Mobile collusively set the prices of text messaging services they provide. If these allegations are true, customers of these companies may be entitled to legal remedies.

If you feel that you may have been victimized by this practice and wish to discuss your rights and interests in this matter, please contact our Washington, D.C. office toll-free at (877) 337-1050 or by email at contact@finkelsteinthompson.com.
